INVITE YOU TO A BENEFIT THAT
WILL INSPIRE ALL!

THURSDAY, APRIL 24, 2008
6:00 P.M. - 8:00 P.M. AT THE SPA
1000 PGA TOUR BLVD.
PONTE VEDRA BEACH, FL 32082

As the beautiful bright light she was, Nicki Leach, a Ponte Vedra Beach Native, was a determined young woman with many talents and a positive nature. She made a lasting impression on all around her. This evening will honor her legacy and celebrate the mission of the foundation she started with her mother to help give other teens/young adults with life threatening cancer the opportunity to enjoy adventurous activities they might otherwise not be able to afford by providing them necessary funding.

Help us continue her mission and join us for a champagne reception, silent auction and fashion display of her favorites during this two-hour event. Guests will also enjoy a sampling of pampering spa services, fitness advice and a chance to win a 3-month membership to The Spa.

TICKETS ARE \$20 AT THE DOOR. PROCEEDS FROM THE TICKET SALES BENEFIT THE NICKI LEACH FOUNDATION.
